To: Christy Radbourne, Greg Rickford, Minister Calandra

As you are aware we are the group that you and the school board have been dealing with in regards to the Waldhof Hall property.

This has been a discussion that has been going on for the past 5 years with no significant progress or information coming from the school board. We as a group have been ghosted by you and the rest of the KPDSB. Our request for assistance from our elected MPP has also not been successful.

We as a group of volunteers that has been dealing with this situation have met and have decided that it is time for our group to go to the media to bring this matter forward and let the rest of the communities and Ontario understand what is going on.

You and your group have mentioned that they do not want the hall yet the KPDSB has not come up with any solutions to the situation to be able to turn ownership over to the Community of Waldhof.

KPDSB has not put any money into the hall for any upkeep or maintenance yet you are the owners of the property.

So this letter is being written to let you know that we are giving the KPDSB until **Friday, June 12th** to respond and come up with a plan to turn ownership of the hall and the property over to the Community of Waldhof.

If we do not get a response we will be discussing this matter with the media on **Monday, June 15th**.

We expect to hear from you in the very near future.

Sincerely,

Laurie Huffman &

The Waldhof Recreation Committee
